

# NEW ACQUIRED BRAIN INJURY (ABI) TRAINING DVD

Brain Injury Australia has prepared a training DVD for the Australian Government's Department of Education, Employment and Workplace Relations (DEEWR).

The 3 training modules in the DVD "Job Capacity Assessments—Customers with an Acquired Brain Injury":

- will enable Employment Services Provider and Centrelink staff as well as Job Capacity Assessors to correctly assess an ABI and its impacts on a customer;
- will help in the identification of a customer's ABI where the injury is understated, undisclosed or undocumented;
- and provides tips on interviewing customers with an ABI.
